

BSA FISHING PROGRAMS

Certified Angling Instructors and Angling Educators for the Boy Scouts of America

2020-November

Why—BSA Fishing Program

Scouts love to fish! More importantly, Scouts like to catch fish! Scout parents love to see their Scouts succeed in outdoor activities, building confidence, developing social and emotional skills, improving communication, and gaining an appreciation for nature.

As social distancing becomes our new norm, more and more people are looking for ways to spend time outdoors. For those who fish, there's no better time to be out on the water reeling in their catch. The water is open. And it's time to leave stress in our wake.

For those who haven't yet discovered the joys of fishing — well, it's easy to learn. BSA Certified Angling instructors are hoping more Scouts and families can bring fun fishing memories home this season. With BSA Fishing Programs delivered by Trained Leaders, you'll find all the information you need to learn, plan, and equip for a day on the water.

*"A fisherman does not
bait his hook with food
he likes.*

*He uses food the fish
likes.*

So with boys."

-Baden-Powell

Cub Scout Twilight Fishing Day Camp—Urban Environment

Key Benefits

- Fun
- Life Lessons/Skills
- Relaxation/Stress Relief
- Exercise
- Family Time
